SIR,

Subject —

With reference to your letter No.L.5815/Ml.82-36 dated 6/9th February 1937 regarding the drainage scheme of Dodballapur Town, I have the honour to state that the estimate for the first stage of the said scheme is Rs.6250/- and the Municipal Council is agreeable to contribute half the cost from out of the Municipal funds. As noted by the Sanitary Engineer in his report to accompany the estimate, an equal sum of Rs.3000/- has to be provided for the purpose from out of the state grant.

The amount realised by the Dodballapur Municipal Council from sale of the sites in the new extension had been ear-marked for the drainage scheme. I may also state that the Municipality expect an additional income of about Rs.8000/- a year by way of tax on spun silk imported into the Municipality, the levy of which has been sanctioned by the Government in their order No.L.5547-9/M.68-36-50 dated 21st January 1937. Orders have already been issued to the President on 26th September 1936 to withdraw a sum of Rs.3000/- and place it at the disposal of the Sanitary Department for the said work.

In these circumstances, orders of Government may be kindly obtained for the early execution of the work as requested by the Director of Health. The enclosures sent with your letter under reference are returned herewith.

I have the honor to be,
Sir,
Your most obedient servant,
